

Financial documentation must be in English and be current (less than six months old). Financial support may be from your own resources or from a sponsor. Be sure to keep copies of these documents as you will need to present them to the U.S. Consular Officer at your visa interview and to the U.S. Immigration Officers at the Port of Entry. Please note: U.S. visa regulations restrict student employment, and therefore, it is important not to rely on employment for income to offset your educational expenses.
