## **Mandatory Health Insurance**

*Effective Fall 2023/Spring 2024*

### **Please read the following statement regarding health insurance:**

As part of international student admission and enrollment requirements, all international students in F-1 status are required to purchase health insurance prior to enrollment. Our preferred international student insurance provider is [www.insuranceforstudents.com/fscj](http://www.insuranceforstudents.com/fscj). You may purchase insurance from another provider, but the plan must comply with the minimum insurance requirements for international students at FSCJ. All F-1 international students who wish to purchase insurance other than the InsuranceForStudents.com plan must complete the alternate insurance compliance process located at [www.insuranceforstudents.com/fscj](http://www.insuranceforstudents.com/fscj).

I have read the statement about mandatory health insurance for F-1 international students. I understand that I must purchase health insurance prior to enrollment at FSCJ and maintain my policy whenever I am enrolled in classes.
