

Florida State College at Jacksonville | Legislative Update VII – 2023

APRIL 24, 2023

Week 7

With three weeks left in the legislative session, budget negotiations are ongoing. The Senate President and Speaker of the House released budget allocations by policy area on Saturday, April 22. The chambers agreed on general revenue allocations of \$45.4 billion, \$1.3 billion higher than the proposed Senate budget and \$2.2 billion higher than the House. The list of legislators appointed to sit on the conference committees was also released. Committees will begin meeting in Week 8 to resolve the differences in program and project funding amounts proposed by each chamber. Below is a list of the general revenue allocations by policy area.

Policy Area	Total
PreK-12 Education	14,160,900,000
Higher Education	5,695,100,000
Health Care / Health and Human Services	15,061,100,000
Criminal and Civil Justice	5,591,700,000
Infrastructure & Tourism	1,455,800,000
Agriculture & Natural Resources	1,563,600,000
State Administration & Technology	708,300,000
Administered Funds & Statewide Issues	1,184,000,000
Total General Revenue Allocations	45,420,500,000

Bill Tracking

HB 339 (Similar to SB 550)	Revises eligibility requirements for educational benefits provided by state to spouse or dependent child of deceased or disabled servicemember; revises eligibility requirements for educational benefits provided by state to dependent child of prisoner of war, person missing in action, or deceased or disabled servicemember who participated in certain military operations.	Passed by the House. Sent to Senate. Placed on agenda for the next Senate Fiscal Policy Committee meeting.
SB 256 (Identical to HB 1445)	Requires a public employee who desires to be a member of an employee organization to sign a membership authorization form beginning on a specified date; requires an employee organization to revoke a public employee's membership upon receipt of his or her written request for revocation; prohibits certain employee organizations from having dues and uniform assessments deducted and collected by the employer from certain salaries; revises requirements for applications for initial registrations and renewals of registration of employee organizations; revises prohibitions for employee organizations and certain persons and entities relating to employee organizations.	Passed by the Senate. Sent to House for approval. Identical bills placed on House Special Order Calendar.
HB 139/SB 858 (Identical bills)	Provides benefits, training, and employment assistance for Veterans and their spouses, including a requirement for Department of Veterans Affairs to create a grant program for veterans' nursing degree programs.	Passed by the House. Sent to Senate for approval. Senate referred the bill to the Fiscal Policy Committee.
SB 266 (Similar to HB 999)	Prohibits state universities and colleges, as well as their direct support organizations, from expending any funds, regardless of source, to promote, support, or maintain any programs or campus activities that violate the discriminatory concepts. The bill exempts from this provision programs required for compliance with federal regulations, or access programs for military veterans, Pell Grant recipients, first generation college students, nontraditional students, "2+2" transfer students from the Florida College System, students from low-income families, or students with unique abilities. The bill revises requirements for general education core courses, similar to HB 999. The bill also clarifies that a public postsecondary institution is not required to change accrediting agencies each accreditation cycle, but that the change in accreditation required in law is restricted to a one-time change, prior to the expiration of this requirement on December 31, 2032.	Amended and passed by Fiscal Policy Committee.
SB 958 (Similar to HB 931)	Revises date by which SBE & BOG must annually compile & publish specified assessments; establishes Office of Public Policy Events within State University System & provides requirements; designates Florida Student Association as non-profit advocacy organization for students of SUS & provides requirements; & prohibits public institutions of higher education from requiring completion of political loyalty test or for persons to meet certain qualifications for specified purposes.	Placed on Fiscal Policy Committee agenda for next meeting.

HB 7051 (Similar to SB 240)	The bill enhances and streamlines provisions to improve the implementation and expansion of workforce education programs. The bill also increases access to career and technical education in middle and high school, including opportunities for work-based learning, such as apprenticeships. The bill expands the REACH Office's authority, expands the internship tax credit program, and expands the Pathways to Career Opportunities Grant Program (PCOG). Provides more flexibility for institutions as it relates to the Money-Back Guarantee Program. Converts the Open Door Grant Program to a student financial assistance program.	Passed by Education and Employment Committee. Committee substitute filed.
SB 542/HB 39 (Identical bills)	Requires Florida College System institutions & state universities to have supply of emergency opioid antagonists in certain residence halls & dormitories for use by specified employees; provides requirements for placement & accessibility of emergency opioid antagonists & training; provides specified immunity from liability.	Passed by Rules. Placed on Senate Calendar for a second reading.
HB 999 (Similar to SB 266)	Revises powers & duties of BOG; revises academic & research excellence standards for preeminent state research universities; provides requirements for hiring university faculty; provides requirements for employment, promotion, & evaluation processes for state university employees; authorizes state university boards of trustees to review tenure status of faculty members; requires such boards to confirm selection & reappointment of specified personnel; requires state university presidents to annually present specified information to such boards; creates Institute for Risk Management & Insurance Education within College of Business at UCF; revises requirements for general education core courses; prohibits state universities and colleges, as well as their direct support organizations, from expending any funds, regardless of source, to promote, support, or maintain any programs or campus activities that violate the discriminatory concepts; provides exemptions for federal laws and for student led organizations.	Amended and passed by Education and Employment Committee. Committee substitute filed. Placed on House Calendar for a second reading.
SB 7026	Requires the BOG to develop regulations for university boards of trustees relating to contracting for the construction of new facilities or for work on existing facilities; authorizes a state university to waive the out-of-state fee for a student who is an intercollegiate athlete receiving a scholarship; revises the list of authorized expenditures that may be included in a carry forward spending plan for state universities and Florida College System institutions; revises a limitation on compensation for state university employees, providing that certain educational facility contracting and construction techniques applicable to school districts also apply to Florida College System institutions.	Passed by the Senate. Sent to House for approval. No action in the past week.
SB 732/HB 845 (Identical bills)	Defines the term "military student;" requiring the State Board of Education to adopt rules and the Board of Governors to adopt regulations to establish the Collegiate Purple Star Campuses program; specifying program criteria for participating Florida College System institutions, state universities, and career centers.	Passed by the Senate. Sent to House for approval. No action in the past week.

SB 846
(Similar
to HB
679)

Prohibits state universities and state colleges from accepting grants or participating in agreements with a foreign country of concern unless specified conditions are met; authorizes state universities to enter into agreements with a foreign country of concern if such agreement is approved by the BOG and specified requirements are met; authorizes the board to sanction and to withhold performance funding from a state university for entering into an unauthorized foreign agreement; requires each state university and state college to annually submit specified information to the BOG and DOE if certain conditions are met.

Placed on
Senate
Calendar for a
second reading.
No action in
the past week.

HB 1401
(Similar
to SB
750)

Requires the Articulation Coordinating Committee to convene a workgroup by a specified date to develop specified articulation agreements; requiring Florida College System institutions to award transfer credit for certain courses; providing requirements for an associate in arts specialized transfer degree; providing that, upon approval of a new associate in arts specialized transfer degree, Florida College System institutions may offer the degree and shall report certain data.

Placed on
House Calendar
for a second
reading. No
action in the
past week.
