

About the Program

The Associate in Science (A.S.) Degree in Criminal Justice Technology program prepares for entry-level positions in the criminal justice system. Graduates are prepared for careers in local, state, and federal first responder agencies, as well as for other public safety positions, such as public safety project manager, public safety and regulatory specialist, or public safety compliance manager.

This program requires a **minimum of 60 credit hours**. Total program hours may vary based on the student's individual academic degree plan. This program **is eligible** for financial aid.

Program Requirements

Students must fulfill all requirements outlined in the college catalog.

Important for You to Know

This academic roadmap does not include developmental education courses in reading, writing, and/or mathematics or other prerequisite courses that you may be required to take. In addition, it does not include program graduation requirements.

Alternative starting or completion points include: Criminal Justice Technology Specialist (T.C.).

Sample Roadmap

This sample roadmap shows one possible pathway to program completion and may not be appropriate for all students.

Prior to enrolling in classes, please **meet with an advisor** for specific guidance about your individual academic degree plan. Some courses are offered only once per year; advising is critical for course progression.

See the **program requirements for general education and professional elective course options.*

This program includes a **Mathematical Thinking in Context math pathway**. This pathway is intended for students in the broadest range of programs of study. In this pathway, students will explore a variety of mathematical concepts utilizing multiple ways of thinking to formulate and solve problems in context.

Term 1

Course	Credits
CCJ 1020 - Introduction to Criminal Justice	3
ENC 1101 - English Composition I or ENC 1101C - English Composition I Enhanced	3-4
General Education Mathematics course	3-5
General Education Natural Sciences Core course	3-4
AMH 2010 - United States History to 1877 or AMH 2020 - United States History from 1877 to the Present or POS 2041 - American Federal Government	3

Term 2

Course	Credits
