<input type="checkbox"/> Meet with your advisor each term.
<input type="checkbox"/> Fulfill the Civic Literacy requirement.
<input type="checkbox"/> Satisfy the associate in science degree graduation requirements.

### Certification/Licensing

Graduates of the program are qualified to take the National Council for Licensure Examination (NCLEX - RN) to become licensed as a registered nurse (RN).

**Note:** If you are considering employment in a state other than Florida, please visit <https://www.fscj.edu/academics/license-disclose> to determine if this program will meet the selected state's requirements to sit for licensure or certification testing.

### Program Accreditation

The Florida State College at Jacksonville Associate in Science Program in Nursing (R.N.) is accredited by the Accreditation Commission for Education in Nursing (ACEN), 3390 Peachtree Road NE Suite 1400 Atlanta, GA 30326, (404) 975-5000, <http://www.acenursing.org/>.

### Application Procedure

**This is a Limited Access program.** Students must follow the application procedure outlined in the current College Catalog. The **application deadlines** are May 15 for classes starting in the Fall Term, September 15 for classes starting in the Spring Term, and February 15 for classes starting in the Summer Term.

### Advising

(904) 766-6690 or [nursingadn@fscj.edu](mailto:nursingadn@fscj.edu).

### Recommended Roadmap

This roadmap provides general guidance about recommended courses. For specific guidance about your individual academic degree plan, please see an advisor. Also refer to the College Catalog for additional information. A minimum grade of C or higher must be achieved in all prerequisite and professional nursing courses, as well as courses used to satisfy the general education and civic literacy requirements.

#### Courses to be Completed Prior to the Nursing Program Application Deadline

View the class schedules to determine course availability and available modalities.

**Note:** Completion of BSC 2085C and BSC 2086C must be less than 5 years old at the time of the application.

<input checked="" type="checkbox"/>	Course: Course Title	Credit Hours
<input type="checkbox"/>	BSC 2085C: Human Anatomy and Physiology I	4
<input type="checkbox"/>	BSC 2086C: Human Anatomy and Physiology II	4
<input type="checkbox"/>	MAC 1105: College Algebra <b>or</b> higher-level MAC prefix course <b>or</b> MAP 2302: Differential Equations <b>or</b> STA 2023: Elementary Statistics	3-5

#### Courses to be Completed Prior to Admission to the Nursing Program

View the class schedules to determine course availability and available modalities.

**Note:** Students are strongly recommended to take the Chemistry placement course prior to enrollment in MCB 2010C. Completion of MCB 2010C must be less than 5 years old at the time of application.

<input checked="" type="checkbox"/>	Course: Course Title	Credit Hours
<input type="checkbox"/>	ARH 2000: Art in the Humanities <b>or</b> PHI 2010: Philosophy in the Humanities <b>or</b> MUL 2010: Music in the Humanities <b>or</b> LIT 2000: Literature in the Humanities <b>or</b> HUM 2020: Topics in the Humanities <b>or</b> THE 2000: Theatre in the Humanities	3
<input type="checkbox"/>	ENC 1101: English Composition I <b>or</b> ENC 1101C: English Composition I Enhanced	3 or 4
<input type="checkbox"/>	AMH 2020: United States History From 1877 to the Present <b>or</b> POS 2041: American Federal Government	
<input type="checkbox"/>	MCB 2010C: Microbiology	4
<input type="checkbox"/>	PSY 1012: General Psychology	3
<input type="checkbox"/>	DEP 2004: Human Growth and Development	3

## Important for You to Know

This academic roadmap does not include developmental education courses in reading, writing, and/or mathematics that you may be required to take. Students who place into developmental education courses are required to complete designated developmental education courses with a grade of C or higher regardless of program of study. In addition, it does not include MAT 1033: Intermediate Algebra, which, for many students, is a prerequisite course for MAC 1105.

## Career Options

Nurses can work in a variety of healthcare settings, fly with trauma center helicopters, or travel with humanitarian or first-response teams.

## Notice to Prospective Students

Due to hospital regulations, criminal background checks, medical examinations, and proof of immunizations will be required prior to starting internships at medical facilities.

## Program Learning Outcomes

Upon completing this program, students will be able to demonstrate proficiency in the following program learning outcomes:

- Provide safe, high quality, evidence-based, client-centered nursing care to diverse populations in a variety of healthcare settings.
- Engage in clinical reasoning when providing safe nursing care and implementing quality improvement processes.
- Participate in teamwork and collaboration with members of the inter-professional team including the client and the client's supporters.
- Incorporate information management principles, techniques, and systems to communicate, manage knowledge, mitigate error, and support decision-making.
- Incorporate leadership and management skills in a variety of healthcare settings.
- Assimilate professional, ethical, and legal principles relevant to the practice of a professional nurse.

### Term 1
