

## About the Program

The Associate in Science (A.S.) Degree in Industrial Management Technology prepares students for mid-level management employment by providing meaningful learning and excellent teaching.

Students may choose to focus on industrial management technology or automotive service technology, or utilize articulated credit from career certificate (clock hours program) or apprenticeship program to fulfill professional elective coursework options.

This program requires a **minimum of 60 credit hours**. Total program hours may vary based on the student's individual academic degree plan. This program **is eligible** for financial aid.

## Program Requirements

Students must fulfill all requirements outlined in the college catalog.

## Important for You to Know

**This academic roadmap does not include** developmental education courses in reading, writing, and/or mathematics or other prerequisite courses that you may be required to take. In addition, it does not include program graduation requirements.

## Additional Information

## Sample Roadmap

This sample roadmap shows one possible pathway to program completion and may not be appropriate for all students.

Prior to enrolling in classes, please **meet with an advisor** for specific guidance about your individual academic degree plan. Some courses are offered only once per year; advising is critical for course progression.

*\*See the **program requirements** for general education and professional elective course options.*

This program includes a **Mathematical Thinking in Context math pathway**. This pathway is intended for students in the broadest range of programs of study. In this pathway, students will explore a variety of mathematical concepts utilizing multiple ways of thinking to formulate and solve problems in context.

### Term 1

| Course   | Credits |
|--|---------|
| ENC 1101 - English Composition I<br><b>or</b> ENC 1101C - English Composition I Enhanced | 3-4     |
| General Education Mathematics course   | 3-5     |
| FIN 2000 - Principles of Finance   | 3       |
| GEB 1011 - Introduction to Business  | 3       |
