Sample Roadmap

This roadmap provides general guidance about required courses. For specific guidance about your individual academic degree plan, please see an advisor. Also refer to the College Catalog and class schedules for additional information. **Full-time students will refer to the term-by-term recommendations, and part-time students will take courses in the order listed.**

A minimum grade of C or higher must be achieved in all courses used to satisfy the general education and civic literacy requirements.

Term 1

DSC 1006 is a prerequisite to other Emergency Administration and Management courses. Students who do not take this course will not be able to register for any other Emergency Administration and Management courses and will be delayed in completing their program.

<input checked="" type="checkbox"/>	Course: Course Title	Credit Hours	Terms Offered
<input type="checkbox"/>	CCJ 1020: Introduction to Criminal Justice	3	All
<input type="checkbox"/>	DSC 1006: Introduction to Emergency Administration and Management	3	All
<input type="checkbox"/>	FFP 1702: Principles of Emergency Services	3	All
<input type="checkbox"/>	ENC 1101: English Composition I or ENC 1101C: English Composition I Enhanced	3 or 4	Varies

Term 2

<input type="checkbox"/>	DSC 1562: Homeland Security Threat Strategy	3	Spring
<input type="checkbox"/>	DSC 2242: Transportation and Border Security	3	Fall, Spring

Important for You to Know

This academic roadmap does not include **developmental education courses** in reading, writing, and/or mathematics that you may be required to take. Students who place into developmental education courses are required to complete designated developmental education courses with a grade of C or higher regardless of program of study. In addition, it does not include **MAT 1033: Intermediate Algebra**, which, for many students, is a prerequisite course for MAC 1105.

Related Roadmaps

Embedded Technical Certificate(s)

Technical certificates are available within this degree program. Contact an advisor to determine the career education path that is best for you. Embedded technical certificates include:

- Emergency Administrator and Manager
- Homeland Security and Emergency Manager

Program Learning Outcomes

Upon completing this program, students will be able to demonstrate proficiency in the following program learning outcomes:

- Students will be able to demonstrate an understanding of criminal and civil law and identify legal issues, legal ethics, and due process.
- Students will be able to demonstrate an understanding of the management and administration of law enforcement and security operations through integrating the use of technology in planning and operations and comparing the various organizational structures of law enforcement agencies.
- Students will be able to demonstrate knowledge of the activities that should happen in each phase of a disaster.
- Students will be able to recognize and identify different concepts of emergency planning.
- Students will demonstrate the ability to develop a business continuity of operation plan (COOP).
- Students will be able to identify fundamental issues and concerns of hazard migration, natural hazards, and man-made hazards.

Term 5

<input checked="" type="checkbox"/>	Course: Course Title	Credit Hours	Terms Offered
<input type="checkbox"/>	DSC 2701: Emergency Management Capstone	3	All
<input type="checkbox"/>	ARH 2000: Art in the Humanities or PHI 2010: Philosophy in the Humanities or MUL 2010: Music in the Humanities or LIT 2000: Literature in the Humanities or HUM 2020: Topics in the Humanities or THE 2000: Theatre in the Humanities	3	Varies
