

About the Program

The Career Certificate (C.C.) in Pharmacy Technician prepares students for employment as competent, confident entry-level pharmacy technicians.

This program requires **1050 contact/clock hours** that must be completed and documented. Students should also understand and accept the attendance requirements prior to enrolling in this career certificate program. This program **is eligible** for financial aid.

Program Requirements

This is a Limited Access Program.

Students must follow the **application procedure** and fulfill the program requirements outlined in the College Catalog. Additional information, including the **application deadline**, is available in the program application, which may be accessed via <https://www.fscj.edu/5771>.

Important for You to Know

Adult Basic Skills are a major criterion in students' completion of the program. For more information, please see an advisor.

This academic roadmap does not include career certificate graduation requirements.

See the College Catalog for information about required background checks and drug screening, as well as physical examination and immunization requirements.

Upon completion of this program, graduates are encouraged to take the **National Pharmacy Technician Certification (NPTC) exam** offered by the Pharmacy Technician Certification Board (PTCB). This certification is highly recommended in obtaining employment. Additional information is available in the College Catalog.

Note: If you are considering employment in a state other than Florida, please visit <https://www.fscj.edu/academics/license-disclose> to determine if this program will meet the selected state's educational requirements to sit for licensure or certification testing.

This program is offered for **full-time student enrollment**.
