

About the Program

The Career Certificate (C.C.) in Firefighter fully prepares students for certification and employment as a firefighter in the state of Florida.

This program requires **492 contact/clock hours** that must be completed and documented. Students should also understand and accept the attendance requirements prior to enrolling in this career certificate program. This program **is not eligible** for financial aid.

Program Requirements

This is a Limited Access Program.

Students must follow the **application procedure** and fulfill the program requirements outlined in the College Catalog.

Important for You to Know

This academic roadmap does not include career certificate graduation requirements.

Students **must have earned** an EMT or Paramedic certification through the National Registry prior to starting FFP 0030.

This program is offered for **full-time enrollment**.

Related Career Pathways include the following: Fire Inspector.

Related Industry Certifications: Upon completion of this program, students will be prepared for the following certifications or licenses: Firefighter.

Note: If you are considering employment in a state other than Florida, please visit <https://www.fscj.edu/academics/license-disclose> to determine if this program will meet the selected state's educational requirements to sit for licensure or certification testing.
