### Application Procedure

Students must follow the application procedure outlined in the current College Catalog.

### Articulation

This certificate articulates directly into the Automotive Service Management Technician (A236) (A.A.S.) degree. Contact an advisor to determine the career education path that is best for you.

### Important for You to Know

This academic roadmap does not include **developmental education courses** in reading, writing, and/or mathematics that you may be required to take. Students who place into developmental education courses are required to complete designated developmental education courses with a grade of C or higher regardless of program of study. In addition, it does not include **MAT 1033: Intermediate Algebra**, which, for many students, is a prerequisite course for MAC 1105.
