### Total Program Credit Hours

The **Paramedic** T.C. program requires a **minimum of 42 credit hours**. Total program hours may vary based on the student's individual degree plan. Please see an advisor for individual guidance. This program **is eligible** for financial aid.

### Important for You to Know

This academic roadmap does not include **developmental education courses** in reading, writing, and/or mathematics that you may be required to take. Students who place into developmental education courses are required to complete designated developmental education courses with a grade of C or higher regardless of program of study. In addition, it does not include **MAT 1033: Intermediate Algebra**, which, for many students, is a prerequisite course for MAC 1105.

### Articulation

This certificate articulates directly into the Emergency Medical Services (E.M.S.) (2201) (A.S.) degree. Contact an advisor to determine the career education path that is best for you.

### Program Learning Outcomes

**Cognitive Domain:** Upon successful completion of the program, the student will demonstrate a working knowledge of clinical information and related topics, relevant to the practice of Paramedic providers.

**Psychomotor Domain:** Upon successful completion of the program, the student will demonstrate the ability to competently and proficiently perform all Paramedic providers level skills.

**Affective Domain:** Upon successful completion of the program, the student will demonstrate attitudes and behaviors consistent with the ethics and professionalism expected of Paramedic providers.
