

## About the Program

The Technical Certificate (T.C.) in Emergency Administrator and Manager prepares students for employment in the field of emergency management. Program participants will gain an understanding of problems facing response teams, learn to write emergency plans according to government guidelines, and build communications skills as crisis advisors.

This program requires a **minimum of 24 credit hours**. Total program hours may vary based on the student's individual academic degree plan. This program **is eligible** for financial aid.

## Program Requirements

Students must fulfill all requirements outlined in the college catalog.

## Important for You to Know

**This academic roadmap does not include** developmental education courses in reading, writing, and/or mathematics or other prerequisite courses that you may be required to take. In addition, it does not include technical certificate graduation requirements.

This certificate articulates directly into the Emergency Administration and Management (2404) (A.S.) degree, which includes a Mathematical Thinking in Context math pathway.

## Additional Information

## Sample Roadmap

This sample roadmap shows one possible pathway to program completion and may not be appropriate for all students.

Prior to enrolling in classes, please **meet with an advisor** for specific guidance about your individual academic plan. Some courses are offered only once per year; advising is critical for course progression.

See the **\*program requirements** for general education course options.

This program includes a **Mathematical Thinking in Context math pathway**. This pathway is intended for students in the broadest range of programs of study. In this pathway, students will explore a variety of mathematical concepts utilizing multiple ways of thinking to formulate and solve problems in context.

### Term 1

Course	Credits
ENC 1101 - English Composition I or ENC 1101C - English Composition I Enhanced	3-4
DSC 1006 - Introduction to Emergency Administration and Management	3

### Term 2

Course	Credits
DSC 1004 - Introduction to NRF and NIMS	3
DSC 1631 - Disaster Planning, Mitigation and Preparedness	3

### Term 3

Course	Credits
DSC 2212 - Disaster Response and Recovery	3
DSC 1562 - Homeland Security Threat Strategy	3

### Term 4

Course	Credits
DSC 1751 - Disaster Policy and Law	3
General Education Mathematics course	3-5
