

About the Program

The Bachelor of Science in Nursing (B.S.N.) degree provides licensed registered nurses with the knowledge and skills required to become successful managers and leaders within public, private, and non-profit organizations. The fully online post-licensure BSN program allows you to earn a nursing degree from FSCJ while continuing to work.

This program requires a **minimum of 120 credit hours** including 60 transferrable college credit hours from the student's A.S.N. degree, which must be completed prior to applying to the program. Total program hours may vary based on the student's individual degree plan. This program is **eligible** for financial aid.

FSCJ bachelor's degree programs are part of Florida's 2+2 Program. For additional information, visit https://www.fldoe.org/core/fileparse.php/3?url=/pathways_to_success.pdf.
